Attending the clinic

You should contact one of the approved clinics below to book an appointment. You should make it clear you need the test for a UK visa application.

What you should bring with you

- the passport you are using to submit your application and valid ID, which contains your photograph, such as a national ID card
- TB test fee
- if you have had tuberculosis in the past or have any other lung disease you should provide details of your previous screening and, if possible, your medical notes and x-ray results

Test fees

The fee for TB screening is set by the clinic. You will pay the clinic directly for the cost of your TB test. The cost of the test is in addition to the visa application fee.
